LØRZ – ROCK'N'ROLL GUITAR APPAREL

Martin Ritter, a name surely known in the gig bag industry as being renowned for trendy and fashionable designs, has launched the new 2016 LØRZ gig bag range. The LØRZ gig bag range is a cool, Rock'n'Roll collection of British stringed instrument bags that offer a stunning fusion of fashion design, functionality, quality, and instrument protection.

The LØRZ Gig Bag range, which Martin Ritter has designed from the ground up, comprises a small range LØRZskinny™ and LØRZflare™, all of which are available in 'Tartan Look' and 'Quilted Look'. These include shaped gig bags that will fit classical guitars, dreadnought guitars, electric guitars and bass guitars, along with wedge shaped bags for electric and bass guitars with more unusual shapes.

All bags, which offer headstock, bridge and end-pin protection zones, are made from quality luggage grade Polyester. Other features include a luxury padded handle and mobile phone pouch, as well as a comfortable backpack and ample of storage.
